ALL BIDDERS PLEASE READ

Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 per cent with their bids and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. You must be satisfied. **PAYMENT TO BE MADE UPON RECEIPT OF MERCHANDISE.** Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases. If you do not wish coins sent airmail please note this on your bid sheet.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. **PLEASE BID BY THE LOT.** Unlimited bids are executed at an advance of 5 per cent over the next highest bid. Numbers in () are the quantity of that item.

If you are interested in any particular coin, we shall be glad to have you write us for full information. **LOTS CANNOT BE BROKEN.** Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

NOTICE TO NEW BIDDERS

Our Mail Auction Sales Are Conducted in the Following

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL—IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. Bids you send in are the maximum you are willing to pay for the coin. **WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog prices, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED. No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins each month. Whenever this happens, we want it called to our attention to help prevent future errors.

The coins will be on display the day of the sale at our offices and can be seen by appointment any day prior to the sale.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

SOMETHING NEW HAS BEEN ADDED

We wish to call your attention to the new service extended as per the bottom of the **bid sheet**. After receiving several requests to apply the amount saved in the awarding of successful bids below the bids authorized, we decided to avail this service to all our clients. It is often exasperating to lose a lot by 25c or 50c when the amount saved on the successful bids would have been sufficient to increase the original bid to the point necessary to receive the lot. May we please hear from you, both pros and cons, in regard to this new service? Your “brickbats” help “keep us in line”—keep it up.

Our sales are carefully cataloged with considerable weight given to our research department. The estimated prices are entered only after careful examination of the results obtained in our past sales (which reflect the actual and not theoretical value)—the 1952 Guide book and the 1951 standard catalog. These prices are not a limit as higher or lower prices may prevail.

Consignment A — New York

BUFFALO NICKELS

The owner decided several years ago to invest in this series and has informed us that the market value on many that he purchased has not only doubled but tripled and quadrupled in value. Upon checking we note that this series advanced about one third in value during the past year and appears to be still rising.

SILVER DOLLARS (Continued)

- 1014 1863 BRILLIANT PROOF. Only 460 struck. \$45. Some of the old dealers put many proof silver dollars in circulation as there was little demand for them at that time. Then again many of them retailed at only \$1.25 to \$1.50 each at that time and \$1 had many times the purchasing power of today's \$1. When the fact that only a part of the proofs struck remain as proofs today and only a fraction of those remaining are in choice condition, it is indeed remarkable that they have not advanced any more than they have. Surely they cannot remain at present prices for very long.

YOU MUST BE SATISFIED

Our Sales Are Cataloged With You In Mind. If you have any suggestions, complaints, compliments (yes we receive one now and then) we want to hear them. Having cataloged over one hundred successful coin auctions, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know it all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 6c airmail stamp to find out what we would pay for your outstanding pieces? Naturally we buy collections, too.

INFORMATION PLEASE

A number of collectors write or phone us each month regarding more detailed information concerning specific lots and their values. This service is available to everyone. Remember, we act as your personal agent in trying to secure the lot for your account as much below your bid as possible. The values placed after each lot are merely a guide based upon catalog values, private sales and prices realized at previous auctions. A great deal of research goes into keeping our files on values up-to-date. The values placed after each lot are only a guide as higher or lower prices may prevail. **BID WHATEVER YOU FEEL THE COIN IS WORTH TO YOU.**
